

2018 Encinal Regatta

July 28, 29th

Amendment 1 - Courses

Saturday Finish Line

The finish line will be between an orange temporary YC buoy and an orange panel on the RC boat located at the end of the Encinal YC dock. The orange temporary YC buoy will be stationed about 150 feet to the north of the RC boat.

If the race committee elects to shorten course, the RC boat will take station in the vicinity of the red day marker at the entrance to the Oakland/Alameda Estuary. The shorted course finish line will be between an orange temporary YC buoy and an orange panel on the RC boat at the mouth of the estuary. This modifies RRs 32.2.
